Dear Sir,

With reference to the trailing mail, the relevant information in respect of IIT Mandi is given below:

(a) the details of the applicability of existing reservation norms in Ph.D. and postgraduate programme admissions in IITs through seats which are not funded by Government sources, like research project staff, sponsored, self-financed, external and part-time researchers;

- Implement the reservation norms are based on pre-defined number of positions. Whereas, under the categories of research project staff, sponsored, self-financed, external and part-time researchers the Number of positions are need based and not well defined.

(b) whether cut-off marks for SC/ST/OBC/EWS categories, decided by the various departments of IITs, for selection to their research programmes are regulated by any directives issued by Government/courts; and

- The selection committees of the respective schools, provide relaxation of 5% (or equivalent grade) to the candidates belonging to SC/ST/OBC/PH categories in regular selection mode. Mostly selection of research project staff, sponsored, self-financed, external and part-time researchers are done through regular selection.

(c) the details on how cut-offs are decided for each social category?

- For the above category, the seats are limited. The cut-offs depend on the number of applicants and vacancies available within the school.
