Dear Sir/Madam

With reference to your email dated 13.07.2023 on the above-mentioned subject. The point-wise reply provisionally Admitted Rajya Sabha Question Diary No. S454 regarding "Rising number of migration of Indian students to foreign countries" is given in the attached format.

2. The text of the question is reproduced below:

a. The number of students who pursued their higher studies in foreign countries and subsequently have started working outside India in the past five years, details thereof;

Reply: No such data is available.

b. Whether the government has any data or studies that analyse the reasons behind the migration of Indian students, particularly those with advanced degrees, details thereof;

Reply: No such data is available.

c. Whether the government has undertaken any initiatives to strengthen collaborations between Indian educational institutions and foreign universities to reduce the need for them to seek education abroad, details thereof; and

Reply: " IIT Roorkee has signed MoUs/Agreements with more than 130 international universities/institutes representing nearly 40 countries of the world. These MoUs/Agreements have provisions for semester exchange study programs, joint degree programs, internships for the students of IIT Roorkee. Several student mobility programs and research partnerships have been initiated as a result of these agreements. Besides, these IIT Roorkee is an active partner in several global networks like **SATU Presidents' Forum** and **SAADRI** with South Asian and Taiwanese Universities, **HERITAGE Network** with European Institutions, **SICI and IC-IMPACTS** with Canadian Universities, **USIEF** with the Institutions in the US, **RIN** with Russian institutes, **FIGORE** with Finnish institutions etc. IIT Roorkee's participation in these networks and other partnership programs ensure that it's students spend part of their stay during the degree program at a partner institute. These programs provide IITR's students a chance to study/work at a premiere institution of the world and allows them to get a flavor of academic and research infrastructures available there without having them to spend enormous amount of money on tuition fees or other related expenses. "

d. If not, the reasons therefore?

Subject: Provisionally admitted Question for Rajya Sabha S666 for 6-12-2023 reg. Hostel facilities to the students of IITs.

Dear Sir,

With reference to your email dated 23.11.2023 on the above-mentioned subject.

The point wise reply with respect to IIT Roorkee is given below:

The reply of the **Point no. B**

Please find attached herewith the details of the number of seats increased(835 for Boys and 317 for Girls students). These seats were increased by converting some single seater rooms to double seater and some double seater rooms to triple seater. This number is beyond the designed capacity of each hostel mentioned in the attached table, which may be considered the current requirement of the hostel rooms for boys and girls students.

The number of new admissions is increasing yearly approximately by more than 10%. However, the actual percentage of the increasing number of new admissions every year may be confirmed by the Academic Affairs Office.

It is also pertinent to mention here that due to the increasing percentage of admissions every year and the extension of the course tenure of the PhD students, the number of pass-out students always remains less than the newly admitted students, which requires more accommodation facilities.

It is, therefore, proposed that at least 1200 rooms for boys, 600 rooms for girls and 100 seats for married students accommodation capacity hostels may be constructed at the earliest possible to meet the requirement of the students' accommodation.

For **Point no. C regarding efforts being made by the Institute for creating additional accommodation to cover up the shortfall**, please find the response as under:

1. A proposal for Construction of "1400-seater Students' Hostel at Vigyan Kunj" has been approved by the BoG at its 57th meeting held on 06.03.2019 at an estimated cost of Rs. 180.00 Cr. Out of which Phase-I, comprising 572 nos. rooms is under construction for which the ministry has granted Rs. 60.00 Cr. under EWS scheme. Whereas, Phase- II comprising 828 rooms, costing to Rs. 120.00 Cr. would be taken up as per the availability of funds.

2. A proposal for "Construction of married Students' Hostel (200-DUs)" has been approved by the BoG at its 64th meeting held on 08.03.2022 at an estimated cost of Rs. 51.91 Cr.

3. Additionally, efforts are being made to upgrade the existing Hostel facilities which are more than 40 years old. In this regard, a proposal for "Comprehensive repair and renovation of old eight Hostels including HVAC of common areas" has been approved by the BoG at its 59th meeting held on 21.01.2020 at an estimated cost of Rs. 118.00 Cr.

INDIAN INSTITUTE OF TECHNOLOGY ROORKEE

(a) Whether the government has taken note of the fact that the negative perceptions regarding mathematics are often carried into adulthood with students developing fear and prejudice towards science, technology, engineering, and mathematics (STEM) disciplines?

Reply: The following factors may cause the development of a negative perspective in the mind of students about Mathematics.

(i) Not following a standard typo error-free textbook which carries a sequential development of Mathematics with more emphasis on the visualization of the abstract Mathematical expression. For, example while teaching my daughters in the school level, I have seen the sequential presentation of mathematics in the NCERT Mathematics book.

Each chapter of the book starts with a basic concept about the corresponding module in a simple way and then proceeds to apply the concept in chronological order. Once students are comfortable with the concept, along with possible visualization they will develop an interest in it and may take more and more complicated problems in the spirit of fun and enjoy the Mathematics.

(ii) Language barrier: In most of the state schools/colleges the media of instruction is the respective state language. Most of the mathematical terminology is expressed in the respective language. When one switches over from a regional language to English, students face difficulty in the language and consequently then understanding of Mathematics.

(iii) Lack of Good teacher: In this regard, a teacher should be free and open and have the patience to listen to the difficulties of the student. If the understanding of a teacher in Mathematics is shallow, then he or she cannot express mathematics in class in a simple way or may not have an interest to listen the difficulties of individual students.

(iv) Psychological understanding about the state of the mind of an individual: Teachers should understand what sort of confusion students may have in their minds. Sometimes, the class teacher also expresses " Mathematics is a very difficult subject so only meritorious students should opt for this. This type of negative statement also develops a distance from Mathematics to an individual.

(b) Is so, the details of the corrective steps that are proposed to be taken by the government keeping in mind the STEM education can prepare students for careers in fields such as computer science, engineering, biotechnology, and other emerging technology?

Reply: It is proposed the implementation of two levels of Mathematics at the 10+2 level, namely

- (i) Basic Level mathematics and
- (ii) Advanced Level mathematics (existing one).

Students could have the option to select a basic-level course as an elective.

Dear Sir,

With reference to your email dated 4.12.2023 on the above-mentioned subject. The point-wise reply with respect to IIT Roorkee has already been filled in the Google form, and the same is given below:

- a. State-wise and language-wise total number of students taking admission in Bachelor of Engineering (B.E.) and Bachelor of Technology (B.Tech) Courses through regional languages
Response: NIL (the medium of instruction in IIT Roorkee is English).
- b. whether it is true that for the second consecutive year no admission has been taken through Gujarati language medium in Gujarat Technical University; if yes, what is the reason
Response: Not Applicable
- c. What is the total additional cost to universities for adding regional language medium courses in BE/B.Tech and is this cost borne separately by the Government
Response: Not Applicable. (the medium of instruction in IIT Roorkee is English).

Dear Sir,

With reference to your email dated 4.12.2023 on the above-mentioned subject.
The point-wise reply with respect to IIT Roorkee has already been filled in the Google form and the same is given below:

- How many approved EWS faculty for Associate Professor and Professor are there in IIT
Reply: Nil
- How many faculty position for Associate Professor and Professor under EWS have been filled in last 4 years and how many remain vacant?
Reply: The faculty cadre in IIT Roorkee is a flexible cadre wherein the number of posts at different levels are flexible. Hence, a single roster is followed for direct recruitment at all levels. As per the Roster, 51 posts are earmarked for EWS, out of which so far IIT Roorkee has filled up one post of EWS with an Assistant Professor.
- The reason for positions being vacant? steps taken to fulfill the quota?
Reply: Rolling Advertisement for Assistant Professor positions is always open and candidates, including EWS can apply throughout the year. The selection process for the post of Assistant Professor against the rolling advertisement is being done regularly. However, posts are vacant both in the unreserved as well as reserved categories. This is because of the shortage of good quality candidates in both the unreserved as well as the reserved categories, who aspire for teaching positions.
- How many central Universities could not appoint single Associate Professor & Professor post till now under EWS category?
Reply: Direct Recruitments are being done for the post at the level of Assistant Professor. No Associate Professor & Professor posts were filled under Direct recruitment, except the three posts of Associate Professor (UR category), during the last 4 years.
- Percentage of Assistant Professor post under EWS vacant in IITs:
Reply: As per the Roster, 51 posts are earmarked for EWS, out of which so far IIT Roorkee has filled up one post of EWS with an Assistant Professor.

Dear Sir,
 With reference to your email dated 1.2.2024 on the above-mentioned subject.
 The information with respect to IIT Roorkee has already been filled in the Google sheet, and the same is given below:

S. No.	Institutes	Whether any steps have been taken/proposed by the Government to promote Indian cultural values in education, if so, the details thereof.	The details of the views/comments (if any) expressed by the states regarding these steps taken/proposed by the Government?
7	IIT Roorkee	<p>IIT Roorkee has an academic center on Indian Knowledge Systems in which faculty members from various departments with expertise on various facets of IKS work towards spreading awareness about the traditional knowledge in various disciplines and enabling societal applications of the IKS. In addition, the IKS center also organizes several lectures by eminent academicians to impart knowledge on our country's traditional knowledge systems.</p> <p>IIT Roorkee offers a course, "Indian Knowledge Systems" as a compulsory course for all UG I year students. This course touches upon the contribution of IKS to various fields of science, technology, and humanities.</p> <p>A national youth conference on IKS was organized in 2023. Nearly 300 students and faculty members across the country have participated and presented their work related to various IKS domains.</p> <p>The institute's cultural council has nearly 18 clubs covering the full spectrum of Indian arts. The council actively organizes various events promoting the Indian cultural values and heritage of our cultural diversity. The council also organizes various workshops for students to learn and practice various traditional musical instruments, singing, etc.</p> <p>The institute has an active Sanskrit Club and has organized several workshops for spoken Sanskrit. The programs have garnered a lot of interest from various sections of the campus community. Many students, faculty members, and school children have received certificates for successfully completing the spoken Sanskrit course.</p> <p>IIT Roorkee has an active SPIC MACAY student cell, where several events are organized to promote Indian classical music and culture among the campus community. Students organize various events relevant to fine arts, dance, and performing arts throughout the year.</p> <p>The Vivekananda Study Circle, IIT Roorkee aims to inspire and empower the youth at IIT Roorkee to embody the teachings of Swami Vivekananda and other world-renowned thinkers such as Gautam Buddha. Through the study of Indian philosophical texts like the Upanishads, Bhagavad Gita, and the works of Swami Vivekananda and Aurobindo, the group seeks to generate a deeper understanding of the timeless cultural and spiritual heritage of India. By instilling a broader mindset of mutual-sustainable development, the group aims to create a positive change in the atmosphere of the campus from self-centeredness to a more inclusive and holistic perspective.</p>	NA

Dear Sir/Madam

With reference to your email dated 14.07.2023 on the above-mentioned subject:
The point-wise information with respect to IIT Roorkee is given below:

(a) whether only two Indian higher educational institutions were featured in the recently published QS World Ranking list of 200 higher educational institutions and if so, the details thereof;

Reply: (a) According to the QS World University Rankings 2024, two Indian higher educational institutions were featured in the top 200 list: the Indian Institute of Technology Bombay (IIT Bombay) and the Indian Institute of Technology Delhi (IIT Delhi).

(b) whether the Government has identified the reasons due to which Indian higher educational institutions were able to mark them in the QS world ranking list;

(c) if so, the details thereof and if not, the time by which it is likely to be done;

Reply: (b) and (c) We do not have specific information on whether the government has identified why these institutions were able to rank in the QS world ranking list or if there are plans to do so in the future.

(d) whether the Government has issued any directions to all the higher educational institutions across the country to work on all such standards which could place them in world ranking;

(e) if so, the details thereof and response of higher educational institutes in this regard; and

Reply: (d) and (e) We do not have information regarding any specific directions issued by the government to all higher educational institutions in India to work on standards that could improve their world rankings or the response of the institutions in this regard.

(f) whether the Government has also given instructions to the higher educational institutes to create special seats for foreign students in their institutions and if so, the details in this regard?

Reply:- For the current academic session, we have offered admissions to these courses through ITEC as part of India's contribution to the Quad Infrastructure Fellowship Initiative, under which scholarships for capacity building for officials of Indo-Pacific countries are provided. This will provide an increase in seats up to 40 in number.

Details are provided in the following table:

University programme	Institute/ Department	No of seats
MTECH in Dam safety and rehabilitation	IIT Roorkee—International Centre of Excellence for Dams	Upto 5
MTECH in Irrigation water Management MTECH in Water Resources Development MTECH in Drinking water and Sanitation MTECH in Hydrology MTECH in Renewable and Hydro Energy MTECH in environmental management of rivers and lakes PG Diploma in Hydrology	IIT Roorkee—respective engineering departments	Upto 5 in each discipline (35 in total)

Dear Sir,

With reference to your email dated 2.8.2023 on the above-mentioned subject.
The point-wise reply with respect to IIT Roorkee is given below and attached word format:

(a) whether there has been a delay in the transfer of funds from Central agencies to top research institutes such as IITs and IISc due to which the purchases at these institutes are on hold and the scientists have not been paid for a few months; and
Reply: Yes

(b) if so, the details thereof and if not, the reasons therefor?
Reply:

IIT Roorkee receives funds from the following resources:

S.No.	Ministry / Departments	Object Head
1.	Ministry of Education	OH-31, OH-35 and OH-36
2.	Ministry of Education	OH-35 (EWS)

The funds in the above object heads are received by IIT Roorkee from MoE, on a monthly and quarterly basis, as per the allocation/sanction for the respective period. However, regarding the funds for capex projects, which are timebound, IIT Roorkee sometimes receives reminder letters from CPWD for pending bills when it can't make a timely payment due to fund crunch.

Subject: Lok Sabha Starred/Unstarred Question Diary No. 3534 to be answered on 11/12/2023 regarding " Enrollment of Ph.D Programmes".

Respected Sir/Madam,

I am directed to attach and forward a copy of **Lok Sabha Starred/Unstarred Question Diary No. 3534 to be answered on 11/12/2023 regarding " Enrollment of Ph.D Programmes".** The text of the Question reads as under :

- whether it is true that enrollment of Ph.D programmes at IITs has come down
- if so, the reasons behind this downward trajectory among best STEM colleges in the country;
- the number of Ph.D applications in IISc during the last five years and the current year, year-wise;
- the reasons that above premier Institutions in spite of having record faculty strength and huge research funds students are not registering for Ph.D programmes;and
- the efforts being made by the Government to reverse this trend?

2. Information may please be furnished as below by 04.12.2023, positively. -

Part (a) and (b)- All IITs

Part (c)- IISc/ TS-VII in Google Sheet https://docs.google.com/spreadsheets/d/1fULfDoZ_0p8w1Xxw9MZ03asrBox0aldTL94v11kRyY/edit?usp=sharing

Part (d) and (e)- All IITs/ IISc

3. This may please be accorded "TOP PRIORITY".
