(a) Whether there are enough courses, educational degrees and opportunities to promote quality research and development in the Drone sector, if so, the details thereof and if not the reasons, therefore.

Reply: Yes, there are enough courses, educational degrees and opportunities to promote quality research and development in the Drone sector. This sector requires the good knowledge of Aerospace, Robotics, Communication System, Control Units, and Software. For which, Institute has enough courses in the different departments like Electronics and Communication Engineering, Computer Science and Engineering, Mechanical Engineering, Electrical Engineering and Centre of Artificial Intelligence and Data Science.

(b) What steps has taken by the Ministry to promote research and development in the Drone sector; and

Reply: N.A.

(c) Whether there are any specific public Universities that have been designated especially for research and development in the Drone sector, if so, the details thereof and if not, the reasons therefor?

Reply: IIT Roorkee has opened the Drone Research Centre in Feb 2021. The centre is expected to evolve as a unique facility at national level where state of the art and frontier research would be conducted on several aspects of Drone technology and its applications. For example,

1. Drone Manufacturing*
2. Drone based applications*
3. Anti-Drone Technology*

*Brief is given in Annex-1

Question: 37

- a) **Whether the Ministry has taken cognizance of the tendency in Central Educational Institutions of many reserved teaching positions lying vacant after conducting recruitment process and declaring none found suitable;**

Reply: A large number of posts are vacant, both in the unreserved as well as the reserved categories. This is because of the shortage of good quality candidates in both the unreserved as well as the reserved categories, who aspire for teaching positions.

- b) **The details of number of reserved category posts lying vacant in central universities, rank-wise and institution-wise;**

Reply: 265 reserved posts are lying vacant (SC= 76, ST= 36, OBC = 116 & EWS = 37), as per the reservation register.

- c) **For how many such posts recruitment process was conducted and declared none found suitable rank-wise and institution-wise; and**

Reply: We have a rolling advertisement and faculty selection at the entry level is a continuous process. There is a shortlisting process by which only the well qualified candidates are able to reach the final stage. The method of implementation of a reservation roster within a flexible cadre has been approved by the BoG earlier this year. However, the recruitment process has been stopped since **31st March, 2022** because the tenure of the current Director is over. The recruitment process will be resumed as soon as the regular Director joins.

- d) **Whether the Ministry has taken steps to tackle this problem, if so, details thereof:**

Reply: IITR issued advertisement dated 13-10-2021 for Special Recruitment Drive for faculty positions at all levels. The applications received are under consideration. Rolling Advertisement for Assistant Professor positions is always open and candidates can apply throughout the year.

Dear Sir/Madam,

With reference to your email dated 14.12.2022 on the above subject. The point wise reply is given below:

(a) whether it is a fact that about 10-12 lakh students go abroad for higher education every year which reflects that level of education in the country;

Reply: Of the students passing out every year from IIT Roorkee, around 300-400 of them are reported to be showing interest in perusing higher education elsewhere.

(b) if so, the amount of foreign exchange spent every year for pursuing education outside the country;

Reply: Not Applicable

(c) whether Government is working on any action plan to stop this trend by developing quality Higher Education Institutes (HEIs) in the country itself; and

Reply: We are working on Joint Degree Programmes, semester exchange programmes and support for internships abroad, with reputed international institutes so that the students shall have the flavour of international education without leaving the home institute.

(d) if so, the details of the scheme and if not, the reasons therefor?

Reply: The details are available at <https://ir.iitr.ac.in/OutboundStudents> and <https://ir.iitr.ac.in/JointDegree>.

Question: 832

Admitted Rajya Sabha Unstarred Question Diary No. 832 for answer on 14.12.2022 regarding "Vacancy of teaching posts in Central Educational Institutions in Assam" 1 message

From: "Dean FinanceandPlanning" <deanfap_f@iitr.ac.in>
 To: "Kavita Chauhan" <kavitachauhan.edu@nic.in>
 Cc: "Director IITRoorkee" <director@iitr.ac.in> "Registrar IITR" <registrar@iitr.ac.in>

Dear Sir/ Madam

Point-wise reply to the Parliament Question Diary No. 832 for answer on 14.12.2022 regarding "Vacancy of teaching posts in Central Educational Institutions in Assam" is given below:

(a) whether the Ministry has taken cognizance of the tendency in Central Educational Institutions of keeping many reserved teaching positions vacant after conducting recruitment process and declaring none found suitable;

Reply: Advertisement for inviting applications from SC, ST, OBC, EWS and PD candidates for faculty positions at all levels in 27 various Departments/School/Centres was issued on 13th October, 2021 with last date for submission of online application as 30th November, 2021. Selection process for the post of Assistant Professor was done in respect of 5 departments/Centre during April 2022. 6 candidates were called for interview. Out of 6, one candidate has not appeared for interview. Remaining 5 candidates attended the interview and all the five candidates got selected under Special Recruitment Drive. One of the selected candidate (OBC) has denied the offer. Due to the completion of the tenure of the then Director, recruitments were stopped from May 2022. The new Director joined on 12-10-2022.

(b) if so, the details thereof and the measures taken by the Ministry in this regard;

Reply: Not applicable, in view of the reply to (a)

(c) how many such recruitment process was conducted and declared none found suitable rank-wise and institution-wise; and

Reply: Number of Interviews held for SRD = 4
 Declared none found suitable = Nil

(d) if so, the details thereof and the steps taken by the Ministry to tackle this problem?

Reply: Rolling advertisement has been uploaded in the Institute website for the post of Assistant Professor. Candidates can apply throughout the year against the Rolling advertisement. However, a large number of Posts are vacant both in the unreserved as well as the reserved categories. This is because of the shortage of good quality candidates in both the unreserved as well as the reserved categories, who aspire for teaching positions.

Question: 726

(a) Whether the Government has taken note that there are reports that vacancies pertaining to reserved categories not filled up in Mission Mode Recruitment conducted by various Indian Institute of Technology (IITs), though candidates were available, citing the reason "None found eligible";

(b) if so, the details thereof; and

Reply (a) & (b): Advertisement for inviting applications from SC, ST, OBC, EWS and PD candidates for faculty positions in 27 various Departments/School/Centres was issued on 13th October, 2021 with last date for submission of online application as 30th November, 2021. Selection process for the post of Assistant Professor was done in respect of 5 departments/Centre during April 2022. 6 candidates were called for interview. Out of 6, one candidate has not appeared for interview. Remaining 5 candidates attended the interview and all the five candidates got selected under Special Recruitment Drive. In view of the completion of the tenure of the Director, recruitments have stopped from **1st April, 2022**. They will be resumed as soon as the next regular Director takes charge.

(c) The steps taken/being taken by the Government to review the fair conduct of the process of recruitment as complaints of caste bias are there on the Centrally funded Technical Institutes (CFTIs)?

Reply: SC/ST/OBC representatives are included as members of the Selection Committees.
