

## Major Research Initiatives 2019

- [IIT Mandi organized 7th International Congress on Computational Mechanics and Simulations \(ICCMS 2019\) during December 11 – 13, 2019](#)
- [IIT Mandi hosted 4 th International and 19th National Conference on Machines and Mechanisms - iNaCoMM 2019 during 5-7 December](#)
- [Mini Mathematics Training and Talent Search Program held at IIT Mandi from 2nd-7th December, 2019](#)
- [Hydrus workshop was organised at IIT Mandi from September 9-11th, 2019](#)
- [IIT Mandi in collaboration with Control Society organises a Workshop on ‘Learning and Control’ from 22nd to 26th July 2019](#)
- [Workshop on Applied Deep Learning from 1st to 5th July 2019](#)
- [Short term course on Finite Element Method for Engineers and Researchers from 24th to 28th June 2019](#)
- [International Conference on Differential Equations and Control Problems: Modeling, Analysis and Computations \(ICDECP19\) during 17-19 June, 2019](#)
- [Discussion Meeting on Recent Advances in Magnetism \(DMRAM\)’ from 14 - 16 May, 2019](#)
- [International Workshop on Climate Change and Extreme Events in the Himalayan Region at IIT Mandi from 18th to 20th April 2019](#)
- [The Space Technology and Astronomy Cell of IIT Mandi organised a two day, inter - collegeAstro-meet event, AstraX’19 from 30th - 31st March 2019.](#)
- [Workshop on Water Filtration Techniques Based on Solar Energy from 11th to 13th February 2019.](#)
- [IIT Mandi hosted a GIAN course on Adaptronics from 4th to 9th February 2019.](#)
- [IIT Mandi hosts first-of-its-kind ‘Winter School on Cognitive Modeling 2019’ in India](#)
